"Family Centers has sent several promising managers to LDR over the past four years. The results have been universally positive. Our professionals have expanded their skill sets and leadership capacity. They immediately put to use what they have learned and their programs show tangible results.

~Robert Arnold, Executive Director, Family Centers

"The LDR program affords aspiring leaders the opportunity to be part of a cohort of like-minded individuals who want to lead ‘the solutions’. The skills, connections, and coaching [received by] my participating staff has been invaluable."

~Mike Duggan, Executive Director, DOMUS
