

We are pleased to offer our members a valuable benefit – access to ReadyTalk – for your audio and web conferencing needs.

- ReadyTalk is offering *special pricing* for its audio and web conferencing to members of the Council on a per-minute basis and pay as you go. There are no minimum costs or monthly commitments.
- ReadyTalk offers simplified caller or/and or viewer participation regardless of technical savvy, geographic location, or computer type and helps you concentrate on the content of your meetings, not the tools.
- ReadyTalk offers the option to easily conduct sales presentations, product demos or training sessions as often as you want.
- ReadyTalk is dedicated to the foundation and nonprofit community and specializes in the unique challenges facing organizations of all sizes.
